CHICAGO FACES LABOR WAR POLICE ARREST ARMED MEN

CHICAGO, May 11 .- In the hunt for the "gunmen" and "auto holdup" men in the spreading labor var, detectives from Captain Wood's office descended upon the plumbers' headquarters at No. 332 North Clark three men, two of whom were heavily armed. The raid followed a strict order issued by Chief Mc-Weany to his officers to stop the shooting and intimidation of workmen in the streets at d other places by organized gangs of sluggers.

The drastic action taken by the police came with the announcement from labor leaders that Chicago was face to face with the greatest and most far-reaching strike the city had ever known. P. J. Flannery, president of the freighthandlers' union, sounded the alarm when he declared that all signs pointed to the fact that the bis labor war would begin in earnest during this week with the walk-out

F. B. SPENCER COMES WELL DEPOSITORS NOW NUMBER 76 RECOMMENDED AS A PIC-TURE-SHOW MAN.

Under the reorganization the Idora Theater company has considwho ie thoroughly conversant with posits since the first of the mouth the moving picture business. F. B. to \$5087, distributed between 78 Spencer is the name of the man depositors. The average disjust secured to take hold of the theater and place it on a paying basis. Mr. Spencer took charge of the house this morning.

The new manager comes well recommended as a picture-show man of long experience and considerable ability. He was the proprietor of the first moving-picture show in New York state outside of New York City, and gives promise of "making good" from the start.

Mr. Spencer avers that he will make numerous changes in the house before he is perfectly satisfied with it. Among other things he will have the stage enlarged, machine and probably make some new seating arrangement.

Through the co-operation of Mr. NCW EVACUATED Daries of the Wigwam of Reno, padrome in Goldfield, it will be to the desert.
